WORKSHOP ON YOUTH ENTREPRENEURSHIP

on 26 October 2012 at FH Frankfurt, 60318 Frankfurt am Main, Campus Kleiststraße, building no. 4

In spite of the increasing recognition of the importance of entrepreneurship for growth and job creation, the benefits of entrepreneurial education for young people have not yet been analyzed thoroughly.

The aim of the workshop is to collect practical experience from projects of entrepreneurial education and companies run by young entrepreneurs, as well as to evaluate policy measures and strategies that can be initiated to support youth entrepreneurship.

Among the issues to be discussed are:

- The importance of youth entrepreneurship
- Promotion and training programmes of youth entrepreneurship
- The impact of youth entrepreneurship on personality, skills, and job options
- Entrepreneurial education as an empowerment strategy for disadvantaged young people?
- Challenges, solutions and recommendations

Agenda:
